Jurisdiction

The Court has jurisdiction over this Application under 28 U.S.C. § 1334. Venue of this proceeding is proper pursuant to 28 U.S.C. §§ 1408 and 1409. This is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2).

Background

On September 16, 2019 (the “**Petition Date**”), the Debtors each filed with the United States Bankruptcy Court for the Southern District of New York (this “**Court**”) their voluntary petitions for relief under chapter 11 of the Bankruptcy Code. For the bankruptcy process, the Debtors selected Davis Polk & Wardwell as counsel (“**Davis Polk**”) and AlixPartners LLP as financial advisor (“**Alix**”).

The Debtors continue to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

On September 18, 2019, the Court entered an order [Docket No. 59] authorizing the joint administration and procedural consolidation of the Debtors’ chapter 11 cases pursuant to Bankruptcy Rule 1015(b).

On November 21, 2019, the Court entered its Interim Compensation Order [Docket No. 529] establishing the procedures for interim compensation and reimbursement of expenses incurred by professionals retained by the Debtors pursuant to sections 327 or 1103 of the Bankruptcy Code (“**Retained Professionals**”).

On December 2, 2019, the Court entered the *Order Authorizing the Debtors to Assume the Reimbursement Agreement and Pay the Fees and Expenses of the Ad Hoc Committee’s Professionals* [Docket No. 553] (the “**Retention Order**”).

On August 26, 2020, the Court entered the *Supplemental Order Authorizing the Debtors to Assume the Reimbursement Agreement and Pay the Fees and Expenses of the Ad Hoc Committee's Professionals* [Docket No. 1617] (the “**Supplemental Fee Order**”).

During the Compensation Period, Houlihan Lokey has represented the Committee, in connection with these chapter 11 cases, including with respect to, among other things, the Debtors’ domestic business plan, domestic business asset monetization and valuation, and international pharmaceutical companies owned by the Sackler family (collectively, the “**IACs**”) business plan, sale process, and valuation. The fees earned and the expenses incurred by Houlihan Lokey in connection with these activities are the subject of this Application and are described in more detail below and the exhibits hereto.

Summary of Houlihan Lokey’s Services Rendered

During the Compensation Period, Houlihan Lokey provided extensive financial advisory services to the Committee. The primary services rendered by Houlihan Lokey include, but are not limited to, the project categories set forth below³:

- a) **Category 1: Asset Analysis & Recovery (2,258.5 Hours):** During the Compensation Period, Houlihan Lokey completed in-depth diligence to assess the value of the Debtor’s domestic business and its product portfolio. Houlihan Lokey extensively analyzed potential asset monetization scenarios (sell vs. operate) and related valuations on behalf of the Committee as well as potential recoveries to creditors. Houlihan Lokey also spent significant time evaluating

³ For the avoidance of doubt, Houlihan Lokey did not incur any fees or expenses related to allocation of value among the Debtors’ creditors during the Fifth Interim Compensation Period. In the event Houlihan Lokey subsequently incurs fees related to such allocation, Houlihan Lokey will record that work separately in accordance with the Retention Order.

potential sale structures, sale process challenges and opportunities, and other related sale process considerations which may impact creditor recoveries.

- b) **Category 4: Case Administration (368.0 Hours):** During the Compensation Period, Houlihan Lokey undertook certain routine administrative tasks related to the set-up and management of the case. Such tasks included scheduling meetings, setting up conference calls and video conferences, billing, and other administrative tasks.
- c) **Category 6: Employment and Fee Applications (62.0 Hours):** During the Compensation Period, Houlihan Lokey prepared four Monthly Fee Statements covering June 1, 2021 through July 31, 2021 in accordance with the Interim Compensation Order.
- d) **Category 9: Meetings & Communications with Ad Hoc Committee & Creditors (284.5 Hours):** During the Compensation Period, Houlihan Lokey participated in conference calls and video conferences with the Committee. During these meetings, Houlihan Lokey, among other things, updated the Committee on case developments, communicated and presented the findings of its various due diligence and valuation related work streams as well as asset monetization related matters. Houlihan Lokey also participated in meetings and presentations involving other creditor constituencies representing the Committee.
- e) **Category 11: Plan & Disclosure Statement (156.0 Hours):** During the Compensation Period, Houlihan Lokey analyzed and reviewed documents

and exhibits related to the Plan of Reorganization, Disclosure Statement, and other financial and business-related court documents.

Basis for Relief Requested

The Retention Order provides that Houlihan Lokey's reasonable and documented fees and expenses shall be subject, *mutatis mutandis*, to the procedures with respect to the authorization of payment of the fees and expenses of the professionals of the Debtors and the UCC as set forth in the Interim Compensation Order. Therefore, while this Application is not strictly subject to sections 331 and 330 of the Bankruptcy Code, we are guided by such provisions in making this Application. Section 331 of the Bankruptcy Code provides for interim compensation of professionals and incorporates the substantive standards of section 330 of the Bankruptcy Code that govern the Court's award of such compensation. See 11 U.S.C. § 331. Section 330 provides that the Court may award a professional employed under section 327 "reasonable compensation for actual, necessary services" and "reimbursement for actual, necessary expenses." 11 U.S.C. § 330(a)(1). Section 330(a)(3) also outlines specific criteria that the Court shall consider in determining the amount of reasonable compensation, including:

- a) the time spent on such services;
- b) the rates charged for such services;
- c) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;

- d) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
- e) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and
- f) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

All of the services for which Houlihan Lokey seeks compensation were necessary for, beneficial to, and in the best interests of the Committee. Houlihan Lokey's fees are reasonable given the size and complexity of the Debtors' cases.

All of the services for which interim compensation is sought herein were rendered for and on behalf of the Committee. Houlihan Lokey respectfully submits that the professional services rendered were necessary, appropriate, and have contributed to the effective administration of the Debtors' chapter 11 cases and maximization of value. It is respectfully submitted that the services rendered to the Committee were performed efficiently, effectively, and economically, and the results have benefitted the Committee.

Houlihan Lokey believes that the expenses incurred are reasonable and economical relative to the services required by the Committee and were incurred as a direct result of Houlihan Lokey's representation of the Committee. These expenses are the type customarily charged to non-bankruptcy clients of Houlihan Lokey. None of the expenses relate to non-reimbursable overhead. Houlihan Lokey has adhered to allowable rates for expenses as

fixed by 2016-1 of the Local Rules for the United States Bankruptcy Court of the Southern District of New York.

In accordance with the factors enumerated in section 331 of the Bankruptcy Code, the amounts requested herein are fair and reasonable given (i) the complexity of the cases, (ii) the time expended, (iii) the nature and extent of services rendered, (iv) the value of such services, and (v) the costs of comparable services other than in a case under the Bankruptcy Code.

Houlihan Lokey submits that pursuant to the criteria normally examined in bankruptcy cases and based upon the factors considered in accordance with sections 330 and 331 of the Bankruptcy Code and Bankruptcy Rule 2016, the results achieved provide more than sufficient justification for approval of compensation sought by Houlihan Lokey.

WHEREFORE, Houlihan Lokey respectfully requests that the Court enter an order:

- a. Granting this Application;
- b. Awarding Houlihan Lokey, on an interim basis, compensation for professional services rendered during the Compensation Period in the amount of \$800,000.00 and reimbursement of actual, reasonable and necessary expenses incurred by Houlihan Lokey during the Compensation Period in the amount of \$3,223,71.
